

PROTECT THE 'AINA • PROTECT THE PEOPLE • STOP THE STRYKER

'A'OLE STRYKER RALLY

TUESDAY • JULY 6 • 2004

Citing numerous health, environmental, legal, political, cultural, religious, and ethical concerns, the public has overwhelmingly rejected a plan to further militarize Hawaii by stationing a Stryker brigade here in our home. In spite of broad opposition, politicians and policymakers are pushing forward with the plan. Please join us in the release of a landmark community impact statement which amplifies our people's voices, and let's protect our `aina, protect our families, and stop the increased militarization of Hawaii nei.

11 AM Congregate at Iolani Palace Ahu
11:30 AM March to U.S. Federal Building
12 NOON Rally & official release of COMMUNITY IMPACT STATEMENT
