

# PROTECT U.H.

# STOP U.A.R.C.

## JANUARY 20-21 2005 KAPIOLANI COMM. COLLEGE

U.A.R.C. ("UNIVERSITY AFFILIATED RESEARCH CENTER") IS A NAVY AND UH ADMINISTRATION ATTEMPT TO CONDUCT CLASSIFIED RESEARCH AT OUR PUBLIC UNIVERSITY, USING OUR UH RESOURCES AND PERSONNEL. **WILL UH BECOME A SECRET MILITARY RESEARCH INSTITUTION?**

- ⇒ **U.A.R.C. THREATENS OUR INTELLECTUAL AND ACADEMIC FREEDOMS BY PULLING RESEARCH MONIES AND PERSONNEL AWAY FROM OTHER WORTHWHILE PROJECTS.**
- ⇒ **U.A.R.C. CONTRIBUTES TO THE LARGEST EXPANSION OF U.S. MILITARY IN HAWAII SINCE WWII**, with the Stryker Brigade, Star Wars consolidation, and an aircraft carrier just around the corner.
- ⇒ **MILITARY-RELATED RESEARCH AT UH HAS ALREADY HAD DISASTROUS EFFECTS, INCLUDING THE DEVELOPMENT OF AGENT ORANGE IN THE 1950S.** In the 1950's, U.H. helped to develop Agent Orange, which continues to torment veterans, a testing site on Kaua'i, and the people of Southeast Asia. U.A.R.C. will make the University of Hawai'i an increasing part of the strategy for U.S. military dominance.
- ⇒ **RESEARCH PROPOSED CAN BE "CLASSIFIED" AT THE NAVY'S REQUEST.** Classified research means that no one will know what the Navy is doing, except those sworn to secrecy.
- ⇒ **THE UNIVERSITY IS OUR PUBLIC INSTITUTION, FUNDED THROUGH PUBLIC DOLLARS AND SITTING ON HAWAIIAN LAND.** The University should serve the community, not the military.

**PROPERTY OF U.S. MILITARY  
CLASSIFIED**

*Speak out to end the military takeover of our public university!*

Tell President McClain, Chancellor Englert, and the Board of Regents to reject U.A.R.C.; and call for disclosure of all military-related projects, including those conducted under the Research Corporation of the University of Hawaii.
